Retelling Sticks

Retelling Sticks are a tool for students to help them retell stories, while identifying and describing story elements. The visual cues will aid students in providing key ideas and details as they retell and sequence. Multiple sets of the Retelling Sticks can be made; simultaneously, small groups or partners can each use a set to facilitate retelling.

Preparation:

1. Cut out circles.
2. Laminate for long-lasting durability.
3. Glue each circle onto a popsicle stick.
Hot glue will work great!

Ways to Use:
